# WELCOME TO W&P

Established in 2001, W&P Assessment and Training Centre provides high quality training throughout the care industry. Accredited by Matrix, Edexcel, EDI, NCFE & the LSC, we pride ourselves on the high standard and effectiveness of the NVQ's and training courses we provide our clients.

Having held the Investor In People award for the past 5 years we continue to invest in our people, so you receive the very best in professional training.

**Call 0845 094 2660 to discuss your training needs.**

## FUNDING

W&P are committed towards finding funding routes for all our clients. As an LSC accredited centre W&P are committed towards finding funding routes for all our clients.
